MAROTTA DENTAL STUDIO

Product & Service List

One Step

Our ONE STEP pricing system is for all implant manufacturers. We have included the implant analog and predominately base alloy for the PFM Crown. While Cad/Cam based implant restorations are less expensive than cast alloy restorations, they require the maximum amount of in lab time; therefore, please consult our recommended time sheet prior to scheduling a case.

BIC Screw Retained

BIC Cementable

Milled Co-Cr Screw Retained Crown

Custom Titanium Abutment w/ PFM Crown
